

# WHEN WAS THE LAST TIME YOU WERE THIS EAGER TO VISIT THE MOSQUE?

## Our Noble Aim

There is a community in Kafuta, Gambia that are desperately in need of a mosque. They have the land, no shortage of volunteers and an imam eager to serve the needs of his community. Yet, with the vast majority of those in the area living beneath the poverty line, they are unable to afford the materials and skilled labour needed to construct a House of Allah that will serve their community.

**This Ramadhan we need to raise  
£5,000 to help the Muslims of Kafuta  
realise this dream.**

It doesn't sound like much for an entire mosque, but in rural Africa and a community of men, women and children so eager to help, you'd be amazed at just how far a little money can go. On our website [www.mosqueappeal.org](http://www.mosqueappeal.org) you'll find further details and pictures of a mosque we've built previously for a similar amount.

## Make a Difference

In a well known saying of the Prophet (saws) we are told that: "Whoever builds a mosque, seeking the pleasure of Allah, Allah shall build a house for him in Paradise." In another we are told that the Prophet (saws) was the most generous of people and even more so during the month of Ramadhan. We ask you this Ramadhan to be generous and donate towards our project:

- Donate online at [www.mosqueappeal.org](http://www.mosqueappeal.org).
- By cheque made payable to "The Charity Network"\* and sent to: Mosque Appeal, 31 Waltham Drive, Edgware, Middlesex, HA8 5PG.

**To find out more, donate or discover other ways in which you can help, such as through a sponsored event, please visit our website at [www.mosqueappeal.org](http://www.mosqueappeal.org) or call 07917 436 499.**

The Mosque Appeal project is run by volunteers and 100% of money raised goes to the project.

\* The Charity Network is a charity and our partner in this project.
